Description			

3. Login Berhasil

The screenshot shows the BNI DigiSales application interface after a successful login. The top header bar is dark teal with the BNI DigiSales logo on the left and a user profile icon on the right. Below the header, a sidebar menu on the left lists various navigation options: NON SALES UPDATE (Monitoring, Report), FILE DISTRIBUTION (Download File), STATUS NON SALES (Status Non Sales), DASHBOARD (Dashboard), UPLOAD, SCHEDULE (Agenda), and REPORT. The main content area is titled 'Halaman Utama' (Main Page) and contains a link to 'Aplikasi DigiSales Modal'. The footer of the application displays copyright information for PT. Bank Negara Indonesia (Persero), Tbk. and a statement that BNI is registered and supervised by the Financial Services Authority.

4. Pilih Menu Pencapaian Booster

The screenshot shows the 'Report Pencapaian Booster' (Booster Achievement Report) page in the BNI DigiSales application. The page layout is consistent with the previous screenshot, featuring a sidebar menu and a main content area. The main content area is titled 'Report Pencapaian Booster' and includes a search filter section. This section contains two dropdown menus: 'NPP' (with the placeholder text '--Silahkan pilih NPP--') and 'NAMA'. Below these, there is a 'SALES TYPE' section with a 'Bulan' (Month) dropdown menu (placeholder: '--Silahkan pilih Bulan--') and a 'Tahun' (Year) dropdown menu. A search button with a magnifying glass icon is located at the bottom right of the search filter section. The breadcrumb navigation at the top right indicates the path: Home > Report Pencapaian Booster > List.
