## 6. Gagal Upload File List

The screenshot shows a web application interface for creating a form. The form has two main sections: "Keterangan\*" and "End Date". The "Keterangan\*" section contains a text input field with the value "Coba Upload File .txt". The "End Date" section contains a date picker with the value "31/05/2022". Below these sections is an "Attachment File" button. A modal window is open over the form, displaying a detailed error message in HTML format. The error message indicates a file upload failure and includes a long alphanumeric string for request verification. The modal has an "OK" button at the bottom right. The background form is partially obscured by the modal.
